

**IN THE UNITED STATES COURT  
OF FEDERAL CLAIMS**

BLUE CARE NETWORK OF MICHIGAN,  
and BLUE CROSS BLUE SHIELD OF  
MICHIGAN MUTUAL INSURANCE  
COMPANY,

Plaintiffs,

v.

THE UNITED STATES,

Defendant.

No. 20-1000

(Judge Davis)

**JOINT STATUS REPORT**

The parties respectfully submit this joint status report to request that the Court continue the stay of the remaining count of plaintiffs' First Amended Complaint (Count III), which concerns plaintiffs' 2018 and later cost-sharing reduction (CSR) claims, for 60 days.

This case is currently stayed because the Government is working with a number of CSR plaintiffs to determine whether they may efficiently resolve this matter without further litigation or at least streamline these cases. *See* Doc. 22 at 1. The parties to a number of these CSR cases, including this one, have also presented joint stipulations for CSR amounts owed by the Government for 2017 and had partial judgment entered thereon. *See* Docs. 29, 32. On January 14, 2022, the Court continued the stay and ordered the parties to file a joint status report or joint stipulation of dismissal on or before March 14, 2022. The parties filed that report (Doc. 30), along with another on May 12, 2022 (Doc. 34) which called for a further report to be filed today.

The parties request that the Court continue the stay to provide more time for the broader discussions about possible approaches to resolving this and other CSR cases. As the parties

reported before, counsel for a large number of plaintiff health plans shared a proposal with the Government on December 3, 2021. On April 28, 2022, the Government provided its substantive response to the CSR plaintiffs' proposed settlement methodology for CSR damages owed for benefit years 2018 and beyond. The CSR plaintiffs and the Government held a conference call on May 6 to discuss certain aspects of the Government's response and what the next steps should be. Plaintiffs responded on May 23, 2022. Thereafter, the parties convened by phone, and the Government is currently preparing additional information relevant to the parties' discussion. After the Government completes its search for additional information, the parties plan to meet and confer regarding the potential mutual resolution of pending CSR claims for benefit years 2018 and beyond. Plaintiffs here have expressed a willingness to consider seriously the method, if any, that the Government is able to agree to with the other CSR plaintiffs for resolving or streamlining the CSR cases. The complexity of the CSR cases and the number of interested stakeholders necessitate that the parties be afforded additional time for these efforts.

In addition, the parties here are discussing with each other and may present to the Court, other options to partially or fully resolve the remaining claims. Good cause therefore exists to continue the stay.

Accordingly, the parties jointly request that the Court continue the stay in this case for 60 days, until September 13, 2022, to file the next joint status report in which the parties will update the Court on the status of their efforts to fully resolve this matter.

Respectfully submitted,
